ABOUT COMPANY

HISTORY AND BEYOND

The establishment and the rise of Krishalin Projects LLP began in the year 2024. We commenced our foundation as a supplier of steel structures and other metals to various projects and contractors. While gaining further experience and opportunities, we branched out our business-expansion into fabrication and galvanising as well.

Steel and Metals, Switches and Sockets, Safety, Fasteners, Nut Bolts and Logistics.

VISION

We are determined to enrich the quality of life by providing the best quality products and services at affordable prices to everyone.

MISSION

We intend to become a trustworthy name to all our stakeholders through dedication, integrity, knowledge, professionalism, and informed practice. We respect our stakeholder's rights and continuously work towards fulfilling their needs.

PROJECTS EXECUTED

Over the course of our serving time, we have managed to contribute our expertise in various industries namely refinery, FMCG, beverages, pharmaceuticals, airport infrastructure, ports, and other infrastructural development as well.

The following list enlists the details of the various categories of projects we have dealt along with the project names as well:

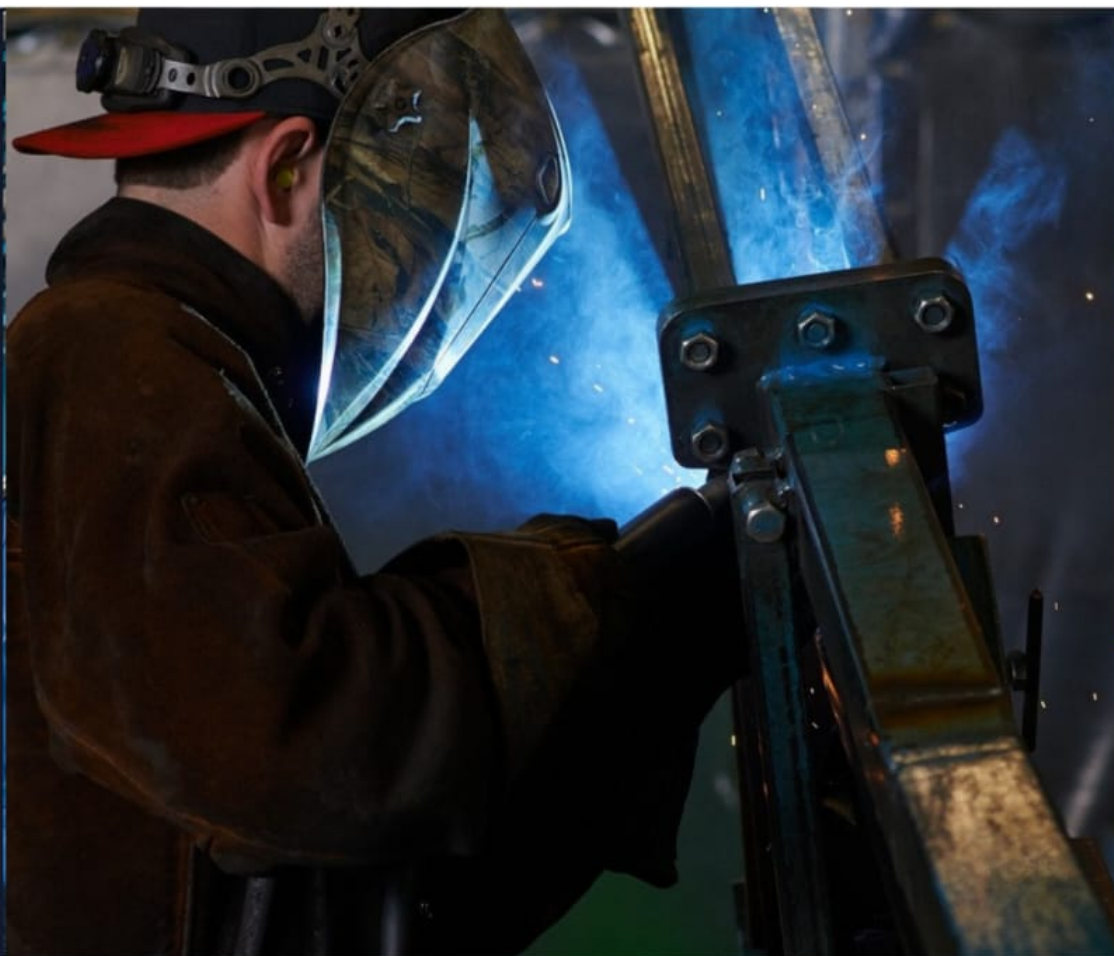

CATEGORIES	PROJECT NAMES
REFINERY	IOCL, ONGC, HPCL, BPCL, ITC
FMCG	Britannia, Nirma, Reckitt Benckiser
BEVERAGES	Hindustan Coca-Cola Beverages, PepsiCo India, Tata Global Beverages, Unichem
PHARMACEUTICALS	Dr. Reddy's Laboratories Rajiv
AIRPORT INFRASTRUCTURE	Bangalore International Airport, Gandhi International Airport Shimizu Corporation, Tata
OTHER INFRASTRUCTURE DEVELOPMENT	Projects, MRF, Supreme, Pandrol PTR
PORT	Mumbai Port Trust, Dharamtar, Adani

EXTENDED SERVICES

A BRIEF OVERVIEW ABOUT OUR SERVICES

Our in-depth knowledge and understanding of the construction industry in combination with labour management expertise has enabled us to successfully render various kinds of civil construction services to the next level. We try to keep up with new trends and detailed research to offer the best quality of services at the most reasonable price. Our broad spectrum of services has been listed below:

Bringing ideas & innovation to life through technology

FABRICATED MATERIALS

HIGH-QUALITY FABRICATED MATERIALS FOR INDUSTRIAL USE

At Krishalin Projects LLP, we specialize in providing high-quality fabricated materials designed for durability, precision, and efficiency across various industrial and infrastructure applications. Our expertise in fabrication ensures structural integrity, reliability, and compliance with industry standards.

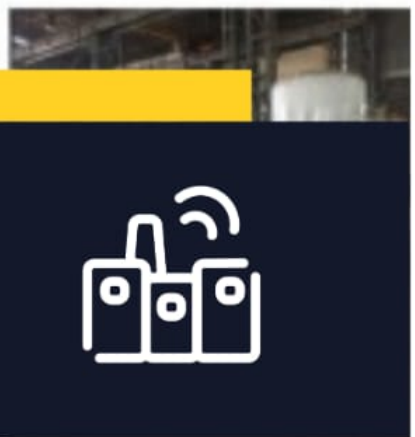

OUR FABRICATED MATERIAL OFFERINGS:

- ✓ **Custom Structural Fabrications** – Beams, columns, and frames for industrial and commercial projects.
- ✓ **Pre-Engineered Metal Components** – Tailor-made solutions for construction and engineering needs.
- ✓ **Sheet Metal Fabrication** – Laser-cut, bent, and welded materials for diverse applications.
- ✓ **Heavy-Duty Industrial Fabrication** – Robust components for machinery, piping, and support structures.
- ✓ **Precision Engineering & CNC Fabrication** – High-accuracy parts for specialized industries.

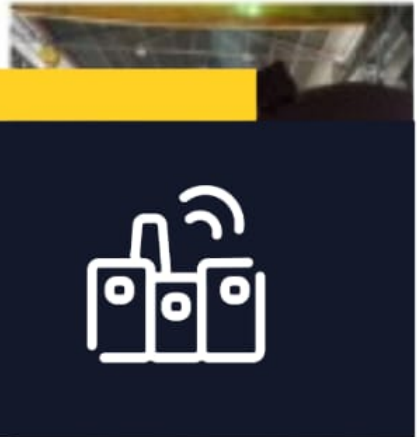

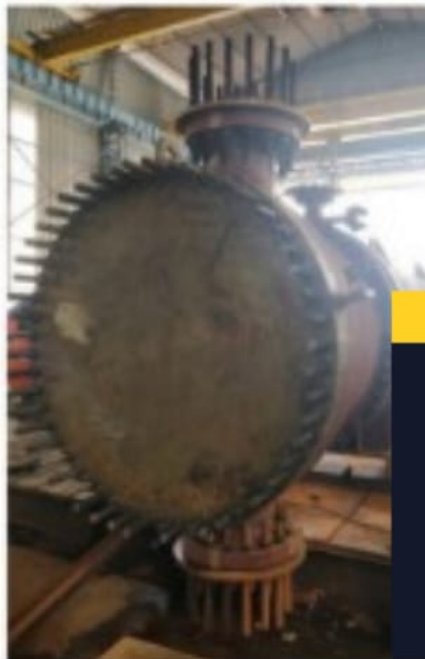

We are committed to delivering cost-effective, high-strength, and precision-engineered fabricated materials, ensuring the best solutions for our clients. Our state-of-the-art manufacturing processes and strict quality control make us a trusted partner in the fabrication industry.

ELECTRICAL & INSTRUMENTATION WORKS

EXPERT ELECTRICAL & INSTRUMENTATION SERVICES

We deliver superior services notably for Substations, Industrial Plants, and Refineries. Not only that, we stretch it to deliver our expertise in rural and railway transmission along with taking care of electrification work. We involve our proficiency in installing Power and Lighting Systems, and enhancing Switch Yards and Motor Control Centres. In addition, we tend to focus on High and Low Tension Cable laying work as well.

In terms of Electrical Communication, we bring forth extensive supply and installation of Cable and Lighting poles. While supplying and installing power equipment, we also consider laying our expert hands-on process and control equipment that comprises hazardous area control systems. For automation tasks, we entail SCADA, DCS, and PLC systems for a better approach.

In addition to everything we do, we provide proactive and persuasive services in the termination and commissioning of indicators, transmitters and controllers, valves, and other field instruments at the same time. As a turnkey project solution company, we come forward in the supply and installation of bus ducts, transformers, and PMCC panels.

LOGISTICS

We hold over 5000 dedicated vehicles with trained drivers on a day-to-day basis. Not only in reverse logistics but also we have extended our services in delivering you various modes of transportation including FTL, FCL, and LCL movements.

**Efficient and
Comprehensive
Logistics
Solutions**

Expertise in Surface Transporting:

- We strongly believe that long-distanced inbound and outbound transportation along with ODC cargo movement is our forte in the current surface transporting scenario of India.
- Here at ALPHA, not only do we contribute to providing extraordinary temporary storage testing facilities and staging facilities, but we also take charge to build the PAN India transportation network. This includes high-level commercial packaging for logistics purposes.
- Our logistics work venture brings efficiency in kitting, staging, and JIT shipping.

WAREHOUSE RELATED SERVICES:

OUR CUSTOMIZED WAREHOUSING SERVICE INCLUDES:

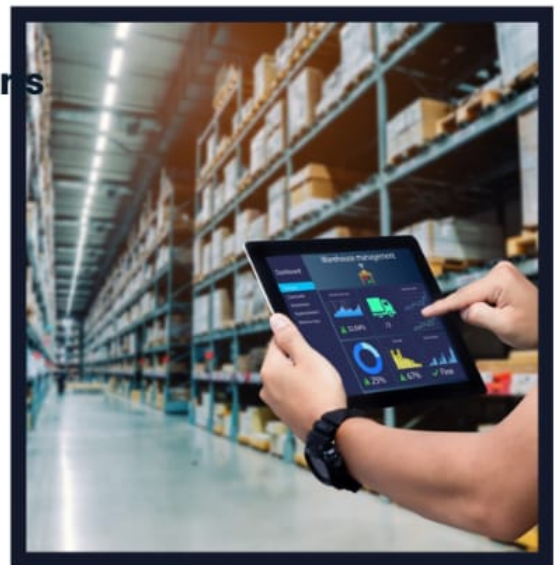

Smart packing solutions

Modern material handling equipment

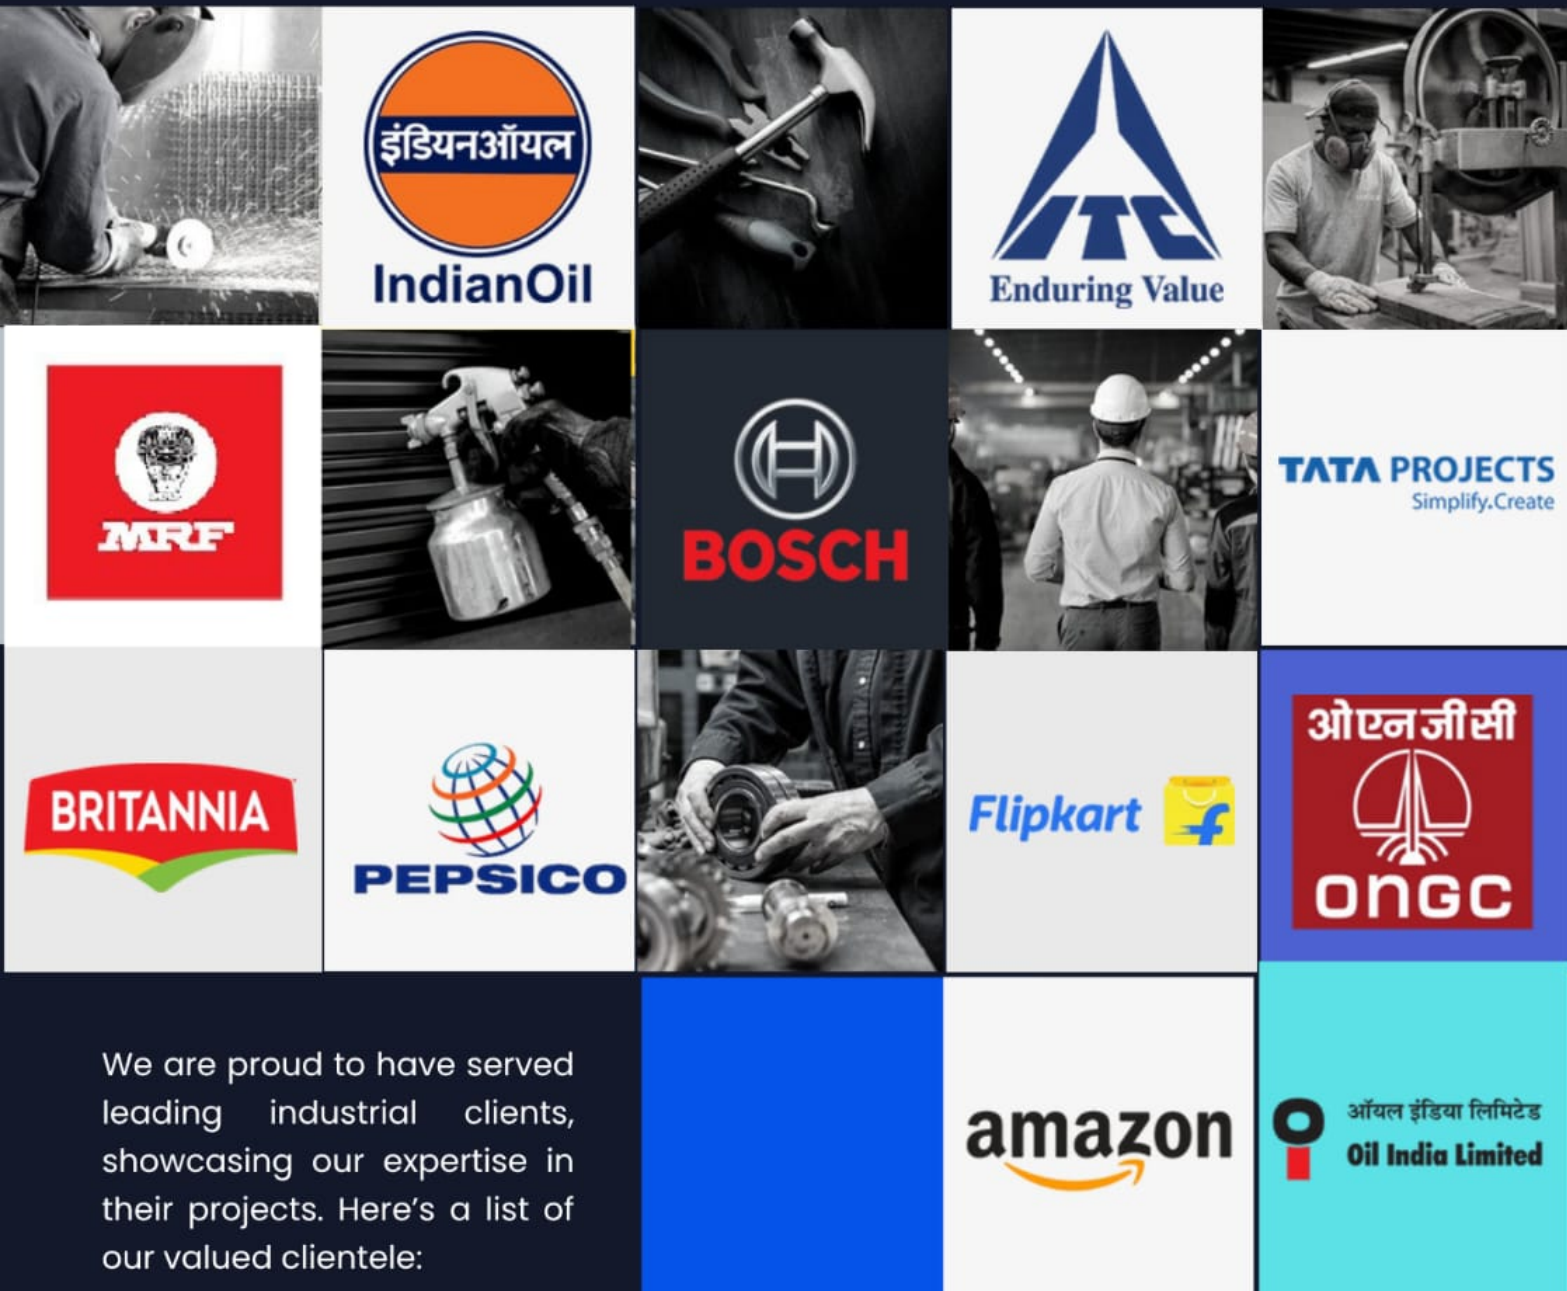

Providing extensive services in SEZ locations

WORLD CLASS TRANSPORTATIONS FOR CAR

We hold over 5000 dedicated vehicles with trained drivers on a day-to-day basis. Not only in reverse logistics but also we have extended our services in delivering you various modes of transportation including FTL, FCL, and LCL movements.

OUR CLIENTS

We are proud to have served leading industrial clients, showcasing our expertise in their projects. Here's a list of our valued clientele:
