HISTORY AND BEYOND

Every great structure starts with a strong foundation. For Krishalin Projects LLP, that foundation was laid in 2024.

We began with a simple, singular mission: to supply high-quality structural steel from top brands like SAIL, TATA, RINL, and JINDAL that contractors could truly trust.

But as we worked alongside our clients on refineries, airports, ports, and industrial plants, we listened. We realized you weren't just looking for a supplier of beams and plates—you needed a partner who could handle the complexity of modern infrastructure. You needed someone to manage the entire journey, from the first beam to the final safety check.

From Supply to Creation

We moved beyond raw materials into precision Fabrication & Manufacturing, creating custom gantries, lighting positioning poles, and CNC-engineered components.

Powering & Protecting

We expanded into turnkey Electrical & Instrumentation (E&I) works and Fire Protection Systems, ensuring your facilities are not only powered but safe and compliant.

Moving & Storing

Recognizing that materials need to move efficiently, we launched a massive Logistics & Warehousing division with over 5,000 dedicated vehicles and PAN-India reach.

Sustaining the Cycle

We completed the metal lifecycle by entering the Steel Scrap Trading & Recycling business, turning industrial waste back into valuable resources for a greener future.

Expertise meets execution. Our deep industry knowledge and skilled team allow us to deliver construction services that go beyond the standard. We are dedicated to innovation, quality, and value for our clients. Here is how we can help you build:

MANUFACTURED ITEMS FOR YOUR PROJECTS

ITEMS DESCRIPTION		MAKE	TYPE / SPECIFICATION
FABRICATED STEEL STRUCTURE			
Gantry Structure + 		KRISHALIN	EHV Substation Clamp & Connectors
Platform Gratings 		KRISHALIN	GI/FRP Gratings & Walkways
Handrails 		KRISHALIN	GI Handrails
CABLE MANAGEMENT SYSTEM			
Cable Tray 		KRISHALIN	GI/SS/FRP Cable Tray
Cable Accessories 		KRISHALIN	Cable Throughs
Cable Tray 		KRISHALIN	Cable Raceways / Solid Bottom Cable Trays
Cable Tray 		KRISHALIN	Wire Mesh Cable Tray & Its Accessories
Cable Support 		KRISHALIN	Flexible Cable Tray Support System
POLES			
Lighting Poles 		KRISHALIN	Swaged Tubular Poles
Lighting Poles 		KRISHALIN	Octagonal Poles
Lighting Poles 		KRISHALIN	High Mast Pole
MARKERS & SIGNAGE			
Safety Markers 		KRISHALIN	Pipe Line Markers / Cable Route Markers / Aerial Markers / Navigation Markers
Sign Boards 		KRISHALIN	FRP Sign Boards

PLATES			
	HR Plates	SAIL/RINL/TATA/JINDAL/ROLLING	1 MM – 32 MM

FASTENERS

FASTENERS & FIXINGS PRODUCT RANGE

ITEMS DESCRIPTION	MAKE	PRODUCT RANGE / TYPES
	HILTI	• Injectable Adhesive Anchor • Capsule Adhesive Anchor • Anchor Rods and Elements • Wedge, Screw, Undercut & Flush Anchors • Sleeve Anchor & Nail Anchors • Plastic Anchors • Drywall Screw • Metal Construction Screws • Nails & Threaded Studs
NUT BOLT (GI/SS/MS) 	ISI	Sizes: M6 – M36 (Standard Range) Types: • Hex Half Threads & Hex Full Thread • MM Threads & BSW Threads • Round Head Rivets • MS Square Head Set Screw • Nuts & Washers

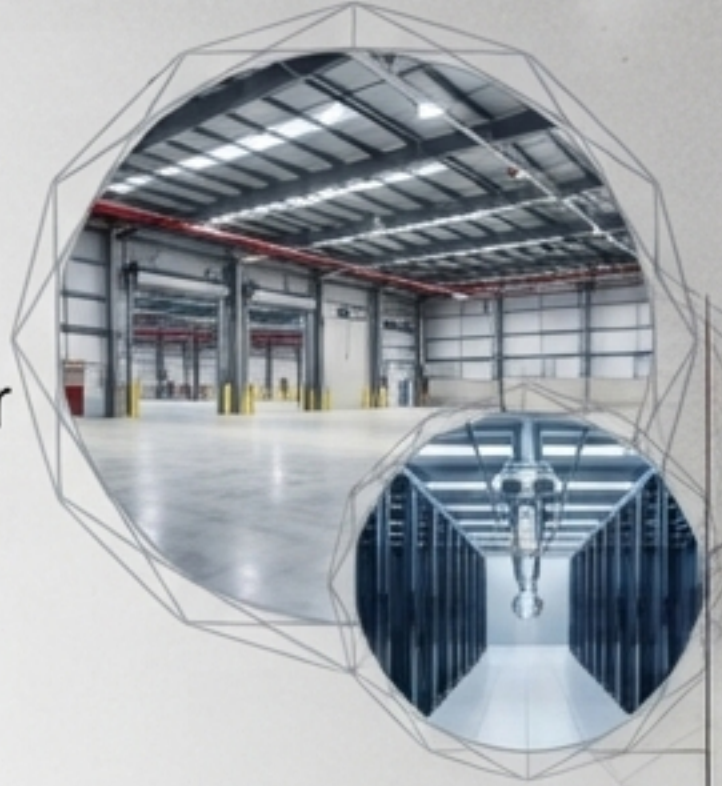

FIRE PROTECTION SYSTEMS

Protecting What Matters Most.

Behind every structure you build, there are people who work there. At Krishalin Projects, we don't just install fire systems; we engineer safety nets for your team and your assets.

From the initial supply to the final commissioning, our experts ensure your facility is ready for any emergency. We customize our solutions—ranging from advanced sprinklers to gas suppression—your safety deserves a personal touch.

Our Expertise:

-  Hydrant & Foam Systems
-  Sprinklers & Spray Systems
-  Gas Suppression
-  Fire Alarm Systems

Our Commitment:

We take on turnkey projects for high-hazard plants and commercial buildings with one goal: Zero Accidents. We handle the complexities of safety compliance so you can focus on your business, knowing your people are safe.

Safety Items

SAFETY EQUIPMENT & PPE PRODUCT RANGE

	ISI	• Fire Extinguisher • Fire Bucket • First Aid Box • Danger Board / Safety Signage • Shock Treatment Chart • Earthing Discharge Rod • Fire Proof Ceiling
Electrical Safety (11KV/33KV) (11KV/33KV) 	ISI	• Insulating Rubber Mat • Insulating Hand Gloves
Protective Clothing: 	ISI	• Fire Proximity Suit • Boiler Suit

HIGH-QUALITY FABRICATED MATERIALS FOR INDUSTRIAL USE

Krishalin Projects LLP delivers superior fabricated materials engineered for extreme durability, unmatched precision, and optimal efficiency across the most demanding industrial applications. Our comprehensive fabrication solutions serve diverse sectors with reliable, high-performance components.

CUSTOM STRUCTURAL FABRICATIONS

- Custom Gantry Cranes, Mezzanine Systems, Heavy Steel Trusses, Specialized Support Structures.

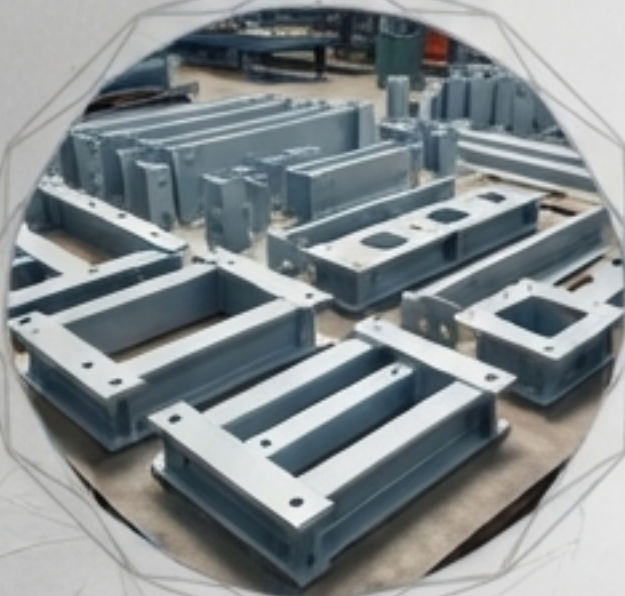

PRECISION ENGINEERING & CNC FABRICATION

- CNC Laser Cutting, Waterjet Cutting, Complex Machining, Tight Tolerance Components.

HEAVY-DUTY INDUSTRIAL FABRICATION

- Tanks & Vessels, Conveyor Systems, Industrial Chutes, Custom Machine Frames.

PRE-ENGINEERED METAL COMPONENTS & SHEET METAL FABRICATION

- Brackets, Clamps, Enclosures, Custom Panels, Precision Sheet Metal Parts.

EXPERT ELECTRICAL & INSTRUMENTATION SERVICES

We deliver superior electrical solutions tailored for Substations, Industrial Plants, and Refineries. Our expertise spans from rural and railway transmission to complex industrial electrification, ensuring your facility is powered safely and efficiently.

Our Core Capabilities:

Power Distribution: Installation of Switch Yards, Motor Control Centres (MCC/PMCC), Transformers, and Bus Ducts.

Cabling & Infrastructure: High and Low Tension cable laying, lighting poles, and switchgear.

Automation & Control: Implementation of SCADA, DCS, and PLC systems for seamless automation.

Instrumentation: Termination and commissioning of indicators, transmitters, controllers, and valves.

Safety Systems: Hazardous area control systems and earthing/lightning protection.

As a turnkey solution provider, we manage the entire process—from supply to installation and final commissioning—ensuring your facility is powered, protected, and optimized for performance.

LOGISTICS THAT KEEP YOUR PROJECTS MOVING

A great project is only as strong as its supply chain. At Krishalin Projects, we understand that delayed materials mean delayed progress. That's why we manage a robust fleet of over 5,000 dedicated vehicles with trained professionals, ensuring your materials arrive safely and on time, every time.

Our Logistics Expertise:

Seamless Transportation:

- From standard FTL/FCL/LCL movements to complex Over-Dimensional Dimensional Cargo (ODC) across long distances, we navigate India's transport landscape so you don't have to.

Smart Warehousing & Staging:

We go beyond simple delivery. We provide secure temporary storage, testing facilities, and high-level commercial packaging, ensuring your materials are protected and ready for immediate use.

Precision Timing:

Through advanced kitting, staging, and Just-In-Time (JIT) shipping, we eliminate bottlenecks and keep your project timeline firmly on track.

We don't just move steel; we deliver peace of mind.
